

Hello Caravaggio!

First off, I hope you are being good (or as good as possible) for your poor parents and carers and that you are all healthy and staying safe.

I miss you all (yes ALL of you) and I actually can't wait until we get back to a version of normal where I get to teach you – well tell you terrible dad jokes and surprise you with spelling tests.

We will keep updating the pupil work sections on a weekly basis with resources and ideas. I know it is really hard but please try to do some work. Y5 it will be so valuable for you later this year; Y6 it will be incredibly useful in preparation for the end of KS2 and the start of your journey toward secondary school.

I regularly check SPaG.com and MyMaths and it is lovely to see some of you doing all the work and doing it to a high standard but it would be great to see the rest of you give it a go. Remember it can be accessed on different devices so it isn't necessary to have a laptop.

If there is anything you need to ask or anything you want help with please get in touch and I will do my best.

See you soon Caravaggio – stay safe!

Mr Quinn
