

Hello Constable,

I hope you have had a great week. Isabelle and I have been trying to stay busy and learn new things. I set Isabelle a goal this week. She had to earn a rainbow each day for good behaviour and school jobs.

We've been learning how to share equally. Isabelle was very kind and shared her 12 sweets between Gary and me. Do you know how many I got?

Sometimes Isabelle has said she misses her friends so we wrote lots of cards to people, especially our best friends.

It really helped to cheer us up!

The weather has been good so we've spent lots of time in the garden. Isabelle has been teaching us to skip. We have been remembering all our skills from the skipping festival, thank you Mrs Fish, Miss Addison and Miss Mitchell. We've been chanting our times tables as we skip and we're getting really quick.

We've made quite a few dandelion art pictures and had lots of water fights!!!!

We try and talk to our neighbours every day. George had a special birthday, so we baked him a cake and it really cheered him up.

Isabelle's treat for the end of the week was a drive in movie. We made a car from an old box and made some popcorn.

We are missing you all so much. Take care, listen to your grownups and always be kind.

Love Mrs Fraser and Isabelle xxxxxx
