

Hi Constable Class,

I hope you've had a good week; we've had some wonderful weather. Isabelle's tomato plants have grown so much! I hope it won't be too long before we start to see some flowers which will eventually grow some fruit.

Isabelle has been becoming more confident on her bike. She can now turn round corners! We went to Barnes Park on Saturday and had lots of fun cycling around the bandstand.

We've also been thinking about our favourite authors and which types of books we like. Isabelle likes to read non-fiction, especially about Lego. But her favourite fiction author is Julia Donaldson and we've been trying to paint pictures of the Gruffalo. Who is your favourite author?

Isabelle has also been having lots of fun making her own books. We looked at the British Library's web page (<https://www.bl.uk/>). Lots of authors have made very small books called miniatures. We made a story about a talking giraffe. Can you make a miniature book?

We've also been doing lots of counting with money. Isabelle has made 10p lots of different ways using 2p's, 5p's and 1p's from her piggy bank. If you have a piggy bank maybe you could make piles of 10p or if that's easy, 20p or 50p?

Last night as a big treat for all her hard work during the week, we had a movie night. Isabelle had her first taste of her favourite sweets for 8 weeks! Can you guess what they are? Percy pigs. We made popcorn and watched one of our favourite movies, Harry Potter and the Philosopher's stone. It was lots of fun.

I hope you've had a good week Constable class. Remember to keep reading and writing about the things you love. Listen to your grownups and always be kind.

Miss you lots,

Mrs Fraser and Isabelle
