

Hi Constable Class,

Isabelle and I want to say a big hello !!

Since school broke up we've been very busy. We've been doing lots of art work. We love to paint and make things.

We keep fit by exercising with Joe Wicks and going for walks. Isabelle loves going to Tunstall Hill. We can see Penshaw Monument and we think of you all and know it won't be long before we see you again soon.

We have also had a special birthday. Isabelle is 8 years old! She was very lucky and she got lots of presents. We had a lovely day and so many of our friends rang to wish her a happy birthday.

We have also been doing lots of our school work. Isabelle loves maths and we have been learning how to measure. We used a ruler to find out how long things were in cm's. We measured a metre with string and went on a hunt to find things that were a metre. Can you find things that are a metre (100cm) in your house?

We have been weighing things and making lots and lots of cakes. Isabelle loves to make chocolate cake.

We have also been spending time helping our friends and neighbours. Isabelle loves to write letters to her Grandad and the old people who live around us. Is there someone you can write to?

We miss you Constable Class. Take care, be good, be kind and remember to stay safe.

All our love

Isabelle and Mrs Fraser
