

Hi Everyone,

We hope you are all well. The sunshine has been lovely for so many weeks but now it is a bit colder and wetter we hope you are still enjoying yourself, perhaps with more indoor activities.

We hope children in reception have enjoyed completing some phase 4 phonic work. It can be quite tricky so please try your best. You could try to write some words in your best handwriting too.

Children in nursery have been working hard with number games. We hope you enjoyed making a board game and using playing cards. Who won your game? Can you recognise some more numbers now?

This week we would like you to try to complete a task from the “2020 challenge”.
This week try to:
Invent something.

You may like to use recycled materials. It could be something to use like a treasure box or maybe a new toy, perhaps a car. I’m sure you will have some fantastic ideas; maybe you could use your invention to solve a problem.
Try and be creative with your invention, maybe make it have some moving parts.
We would love to see what you have created via email or twitter.

It has been lovely to see each others’ work and home activities on our school twitter. Please continue to upload the fun you have been having as this is a great way for us to keep in touch.

@olqopEYFS

@OlqopPrimary

Take care and stay safe over the next week.

Love from

Mrs Brown, Mrs Duncan, Mrs Young, Mrs Kebell, Mrs Smith, Mrs Pike and Miss Thompson.
