

Hello to everyone in the Early Years

We hope that you all have had a lovely week and have been enjoying the sunshine we have had recently. You may have been out for walks, bike rides or maybe scooting. We love to count the rainbows or spot teddies in house windows when we are out for a walk. It is a shame that it is a little bit cooler this week but still nice to enjoy some fresh air.

We hope that are enjoying some of the activities we have suggested for you. Try your very best for your grown ups at home.

Our friends in reception will be really good with their phase 3 phonics now. We hope you have enjoyed the BBC bitesize phase 3 clips.

Our nursery friends will be getting so clever too! We are sure you will have enjoyed shape and colour hunting this week.

Have you been watching Something Special and learning Makaton? Everyone will be enjoying some lovely stories with their families and remember you can watch the CBeebies bedtime stories.

We continue to enjoy seeing photographs of you on our school Twitter and we want you and your families all to take care and stay safe.

With love and best wishes from

Mrs Brown, Mrs Duncan,
Mrs Young, Mrs Kebell,
Mrs Smith, Mrs Pike & Miss Thompson
