

Hello to everyone in the Early Years

We hope that you all have had a lovely week with your families. The weeks seem to be flying by.

Again you have been superstars and brightened all our days with your wonderful messages. We understand that it is not possible for all of you to send messages but we want you to know that we are very proud of each and everyone of you.

We hope that this week you are able to enjoy some lovely sunshine on what would have been our half term holiday.

I have had another busy week. As well as seeing some familiar smiling faces in school I have been working hard at home and supporting Kit with his school jobs. This week he has enjoyed reading *The Beast of Buckingham Palace* by David Walliams. I hope you have enjoyed some good stories too! We have also had some long walks in a nearby nature reserve where we love to see how many different animals and birds we can see and hear. Of course there has been football again where my skills as a 'goalie' are definitely improving.

Stay safe everyone and be good for your grown ups,

Love from Mrs Brown

Hello again everyone! I am still missing you all lots and I hope you are enjoying your time at home with your families. Well done for keeping up the excellent reading, counting, baking, drawing, singing and everything else you have been up to, you've all been very busy!

We have really enjoyed this sunny week and have spent lots of time in the garden. We had our first family bike ride and Isaac loved sitting in the seat on the back. He was squealing with excitement when his daddy went down the hill! We have had the paddling pool out lots and have enjoyed filling bottles and tipping water on the grass. I have been letting Isaac help me water our plants with the watering can and it's his new favourite job, although I'm not sure how much water lands on the flowers! Are you growing anything in your garden? I would love to grow some strawberries this year, they're my favourite and they are quite easy to look after.

Have another great week at home everyone. Keep looking after each other and keep smiling.

Love from Mrs Kebell

Hi Everyone,

Well that's another week over! I was in school on Tuesday with Mrs Smith looking after the Key worker children. The weather was good so we spent quite a lot of time outdoors in the fresh air. At home I have been helping Matthew with his home learning activities. He had to write a myth and design a Greek mask which he really enjoyed. Martha is very good at getting on with her work all by herself, although I do have to help her sometimes.

We went for a walk on Thursday and Matthew likes to ride his bike but guess what happened...He rode over a thorny branch and punctured his tyre. I had to push his bike all the way back home and he was really upset but I'm sure we will be able to get it fixed soon.

It is lovely to hear what you have been doing at home but the most important thing is for you to be good for your grown ups, be kind to each other and keep smiling.

Take care
Love from Mrs Young

Hello everyone,
I'm missing you all so much, I hope you are having fun with your family and staying safe.
This week we have enjoyed lots of fun activities, my son has been looking at animal habitats so we went into the garden to look for micro mini-beasts and recorded our findings. Then we made our own den to hibernate in, we also enjoyed having a picnic in our den.
We had an indoor treasure hunt where I put clues round the house for the boys to find, each clue got them closer to the reward at the end. I used an old shoebox to make a treasure chest with loads of sweets and chocolate coins in, it was so exciting!
My son is really missing all of his friends so this week he has been writing letters and drawing pictures of them, we posted the letters in the post box and a few days later he got a letter back. He was so happy to receive his letter.
I hope you have had a good week and have made some lovely memories.
Take care
Love from Mrs Pike

Hello everyone, hope you are all still having fun, smiling lots and looking after your families. I've had a busy week looking after my little niece Isabel who is 2! Her mammy went into hospital to have her little baby brother, they have called him Sam and he is absolutely gorgeous! I can't wait until I can give him a big cuddle.
I have had a long walk over to see my Mam too in her garden.
I hope you are all staying safe and playing games with family and maybe trying some new things. It won't be long now until we can all get out and see each other again.
Make the most of this time together and look after each other, make sure to give lots of cuddles to your grown ups because I know I love cuddles from my children!
Love from Miss Thompson

Hello everybody,
I hope you have all had a lovely week and are staying safe and well.
I have been in school again a couple of times this week. It was nice to see some friendly, smiling faces.
At home, we have enjoyed some lovely walks in the sunshine. However, one time we did get caught in a rain shower which made my hair go curly. The girls thought I looked very funny!
Next week, it is going to be Evie's birthday. She will be 15! So Chloe and I have enjoyed doing some online shopping for her birthday presents. Next job is to think about a birthday cake. I'd better get my recipe books out again!
Hope to see you all soon and hear what you have been up to.
Love from Mrs Smith

Hi Everyone,
I hope you have all had a lovely week. I have been enjoying the sunshine. I have been exploring some new places to walk and saw some beautiful flowers and wildlife. I saw a swan and its cygnets too.
I know you are all working very hard on your school tasks. Don't worry if you haven't managed to do them all, I'm sure you are all trying your best.

Have a lovely week.
Love from Mrs Duncan
