

Hello Himid Class!

I hope you're all well and staying safe. I can't believe we're already approaching the middle of June. This is usually my favourite month with it being my birthday month, but I can't even do anything exciting! I'll be enjoying a biggggg birthday cake though, no doubt.

I've been at school all week, just giving the classroom a good clean. It is very strange seeing the classrooms so empty and I can't wait to have them filled with laughter again.

It will be nice to see some more of you at school next week. We are all as eager as you to get you back in. This doesn't mean the year 5's have been forgotten about, we're just as eager to see you again soon too!

Stay safe,
Miss Al-Saffar 😊
