

Dear Kandinsky Class

I hope you are all still staying safe and are well. This week has been a busy week for me, on Monday I was at school working which was very strange especially without all of you! School isn't the same when you are not all there, it is extremely quiet! I have completed an online first aid course at home and have been trying to teach Jay every day. We have made some good progress with his reading although he still doesn't like to write much. As you know Jay loves Maths and he asks to do this subject because he is confident with Maths and doesn't see it as completing work.

We went for a long scooter ride on a cycle track by Segedunum in Wallsend. If you are in Year 4 do you remember our trip to Segedunum last year? It goes all the way to Newcastle and took about two hours Jay was worn out when we arrived home. This week, we have made cookies and the weather has been lovely so Jay has been playing in his pool. We have been for regular walks to Wallsend park and Jay has learned to ride his bike without stabilisers, which I was amazed at, he is extremely proud of himself! I will post some pictures of Jay riding his bike next week because we haven't taken any yet.

As you can tell we are trying as a family to keep busy during these difficult times. Mr Fish is at work a lot because as you know he works for a supermarket. I am sure you are in the same situation some of your parents will still be at work and some will be at home with you. I miss you all and am looking forward to seeing you all again.

Love from

Mrs Fish

Jay making cookies.

Me riding Jay's scooter by Segedunum.

Jay playing in his pool.
