

Dear Kandinsky Class,

I hope you are all well and staying safe! I miss you all loads, teaching Jay is a much harder job than teaching you, as you all know. We have been trying to do some Maths and English work every day and one reading book, although he doesn't always cooperate! We don't have a printer either so can't print tasks set by his teacher, although we have been working online and making our own worksheets and games to do with his topics. I know some of you have been struggling to print and are in the same situation.

We haven't only been completing work though we have been to the park at the end of our street every day. Sometimes we go for a walk to feed the ducks and sometimes Jay goes on his bike or scooter. I've even been on a scooter racing against Jay, it has been so much fun! We have enjoyed making Easter Cards and playing in the sun although we only have a back yard. Jay loves cooking and we have made some lovely treats. I have put some photographs of us below so you can see what we have been doing. I have seen lots of your pictures on Twitter and it looks as though you are working hard but most importantly staying safe. Well done everyone, hopefully we will be back together soon.

Love from

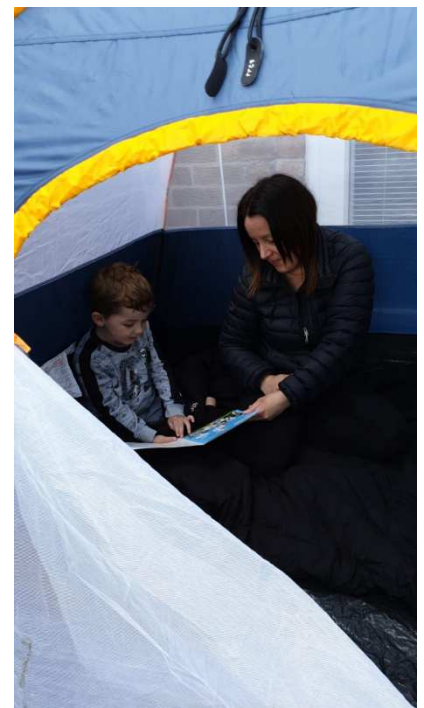

Mrs Fish

Jay's Easter Cards.
