

Dear Kandinsky, Seurat and Picasso Classes,

This week we have been in school preparing for some of the children to return. We miss you loads and it is extremely strange without you. School is so quiet and empty. We have been cleaning, tidying and rearranging classrooms for some of the children to return. We hope you have been enjoying the online learning activities. We have set more tasks this week for you to get stuck into.

At home Mrs Fish has been making a photo book online for her Dad's birthday which is just before father's day. It is really hard to think of presents for Dads! Miss Mitchell had to take Buggy to the vets because he had a sore foot so she needs to buy some more soft mats for him. Miss Addison has been running around her local area and is enjoying keeping fit.

Spag.com, My Maths and Times Table Rock Stars will continue to be set and all work will be online as usual.

Please continue to keep safe!

Mrs Fish, Miss Addison and Miss Mitchell
