

Hi Mondrian!

We hope you have all had a fun and relaxing half term – we have had a great week in this glorious sunshine! This week, we thought that our catch-up letter could take a different format, so we have followed Cassien’s lead and created an A to Z of how we will remember the period of lockdown that we have all experienced so far.

Perhaps you would like to do one too?

It has been lovely to hear from you about all the activities that you have enjoyed this week – remember you can view, share and comment on the OLQOP Twitter if your grown-up is happy to.

Please try your best with the tasks set this week – we hope you enjoy them.

We are all missing you so much and cannot wait to see how you have grown when we next see you. Although we will see our Year One friends in school first, please remember that we will be thinking of our Year Two friends every day and, of course, keeping in touch. Perhaps some Year Two friends could send us a note, picture or a letter to share with the Year Ones who will be back in school shortly.

Meanwhile, look after yourselves and your families and stay Marvellous Mondrian. We hope that you are able to enjoy seeing friends at a distance now that some of the rules have been eased.

With lots of love,

Mrs E, Miss C and Mrs C
