

## Hi Mondrian!

This week has been a busy one in school preparing for some of you returning. We have been cleaning, tidying and rearranging classrooms. We have read some lovely diaries from children across England who returned to their schools last week and it makes us feel so excited to get back.

We hope you have been enjoying the home learning activities this week. You will see this week's learning in the folder as usual. Please continue to send us your emails and photos to let us know what you are enjoying most and any amazing facts that you uncover.

At the weekend, we have had the chance to relax with our families:

Mrs Elder - I have been admiring the gorgeous poppies in the fields near my home. One of the best things about lockdown has been the chance to appreciate the wildlife and nature that sometimes would pass us by when we are so busy. Sam has had a fab time exploring outdoors; he is happy to be out in all weathers and loved to help Mammy and Daddy with jobs in the garden.

Miss Christie – you would not believe how **excited, delighted and thrilled** I was last week in school getting everything ready for Monday when the Year Ones are welcomed back to school! Did you like my “magic of three” adjectives? Perhaps you could say a “magic of three” sentence each day to describe how you feel and why.

Mrs Cresswell - at the weekend, we had a long walk at the seaside and were very excited when we spotted dolphins off the coast. I tried to video them but my camera skills are not too good! Like Mrs Elder, I have been marveling at the beauty of nature and the beautiful birdsong in our garden.

Please take care and be good and kind to your families this week.

With lots of love,

Mrs E, Miss C and Mrs C
