

Hello Picasso Class!

I hope you have all had a lovely Easter and are continuing to work hard at home with your siblings, parents and carers. Working at home may feel strange and often I'm sure it can be hard to concentrate but keep persevering! I can't wait to see all of your hard work when we are back together again. I am missing all of your happy, smiling faces and look forward to being back in class with you all again!

Mrs Fish, Miss Addison and I are updating your work folders weekly and setting MyMaths and Times Table Rockstars online. Keep trying your hardest and if you're especially proud of a piece of work, ask an adult to send it to me, using the school email address. I have loved seeing what you have produced so far! Shout out to Grace for her fantastic Hogwart's inspired rabbit hutch and Suzanne for her Rockstar drawing!

Remember, every day is a learning day, so take each new day as an opportunity to try something new, develop your talents and continue to flourish during our time apart 😊

I have started learning Italian, cooked lots of new dishes and have spent some of my spare time sketching and painting. How have you been spending your spare time?

Stay safe and look after each other 😊

Miss Mitchell
