

Hello Picasso,

Another week has passed and I hope you and your families are still safe, well and spending time together. This past week, I have been trying to get my steps in, finding lots of new cleaning jobs around the house, painting the hallway and spare bedroom and tidying the cupboards. I have also been baking and made rocky road and lemon drizzle cake (both of which were very good, if I do say so myself). I have also been writing reports and it was lovely to look back through all of your hard work from this year! Towards the end of this week, as the weather has turned worse, I have been watching Disney films and colouring in to relax.

It is Bugsy's first birthday on Sunday so we will be celebrating by giving him a bowl of his favourite foods (broccoli stems, cabbage leaves and carrots). We have been on lots of walks, collecting sticks for the rabbits to chew on but they really enjoy nibbling toilet roll tubes.

Miss Green has been getting her steps in as well, going on long bike rides and finding fantastic wildlife. She misses you all greatly!

I am still keeping up to date with all of your hard work online. Well done Picasso maths class on those timetable rockstars scores! My Maths, Numbots and Spag are online; give them your best try! There is still a weekly letter in the Year 3 and 4 folders filled with learning ideas for your week. Remember, you do not need to complete all of the work set, just give the activities a go and enjoy spending time at home with your families! ☺

If you would like to send Miss Green or I an email, you can send it to the school account and it will be forwarded onto us. We will reply to every single one! The address is:

[admin@olqoprprimary.org.uk](mailto:admin@olqoprprimary.org.uk)

Keep working hard and staying safe;

Miss Green and I miss all of you!

Love,

Miss Mitchell and Miss Green
