

Hello Seurat class!

I hope you're all staying safe and being as good and kind as you can be (and as I know you can be!) for your parents and carers. I miss you so much and can't wait until I can see you. I miss our daily laughs and hearing your news and I can't wait until I get to teach you all again. I miss our PE lessons where I would help (win) your teams at handball.

We will keep updating the pupil work area with tasks on a weekly basis with resources and ideas. Please try and have a go at the tasks. I know it is strange to learn from home and concentrate; it will help you as you progress later this year. As a class, we were all really trying with our handwriting before we left school so I can't wait to see all your beautiful work and what you've been up to.

Well done to those who have accessed the online work through My Maths, TTRS and SPaG.com, I have been checking. Remember that these can be accessed from different devices not just a laptop. I have also been looking at the school Twitter account and it is lovely to see your photos of work and what you've been doing. Work is set online each week so please have a go when you can.

I can't wait to see your smiley faces and have some fun as soon as possible. If I can help with anything please get in touch through the school email. I'd love to hear from you as well!

Stay safe!

Miss Addison
