Dear Parents,

Re: Year 6 Homework

As you are aware the children have a reading diary which acts as a link between home and school. In order to prepare the children for the standard assessment tests (SATs) in May 2016, and indeed, for secondary school, we are extending this arrangement to other areas of homework.

The children will shortly be given a homework diary where they will record their homework in Maths, English and Science each week. After completion we ask you to sign in the appropriate column to indicate that the work has been completed.

The homework will be as follows:

Science will be given on a Monday to be returned on Wednesday
English will be given on a Wednesday to be returned on Friday
Maths will be given on a Friday to be returned on Monday

It is important that a regular routine is established and that the homework is completed each week on time if the children are to fulfil their potential.

Thank you for your co-operation.

Yours faithfully,

Mrs B. A. Reilly-O'Donnell
Head Teacher
