Headteacher: Mrs B. Reilly-O'Donnell

16 April 2020

Dear children,

Your teachers in school are missing you very much and hope that you are all well and are helping at home as much as possible. They have sent you a message here:

<http://www.olqoprprimary.org.uk/videos/rainbow.mp4>

Once you have watched the message try to think of ways you could record this historic time. Can you write a diary? Could you make a film? Perhaps you could draw a comic strip to record what life is like during this time? We would love to see any of your work so please ask an adult to send any photos to me at

admin@olqoprprimary.org.uk

I also have another challenge for you! **April 22nd 2020** is Earth Day.

On April 22nd 1970 Gary Anderson, a student in America was creative. He designed the green recycling symbol to honour the first Earth Day in 1970. His creativity has changed the world for the better. On **April 22nd 2020**, Earth Day 50 years later, have a go at being creative and find a way to show what you are doing to keep happy and to care for our Earth. We will tweet all your ideas so please send them to me.

I know that you will be making your adults at home very happy. Here are some jokes to help you!

What did the pirate say on his 80th birthday? AYE MATEY

What do you call a dog that can do magic? A Labracadabrador.

Why couldn't the bike stand up by itself? It was two tired.

I used to have a job at a calendar factory but I got the sack because I took a couple of days off.

What did the buffalo say to his son when he dropped him off at school? Bison.

What did the horse say after it tripped? "Help! I've fallen and I can't giddyup!"

Please send me any jokes that you think will cheer up your teachers!

Everyone is finding this time a bit tricky because we are not used to staying in our houses every day. Because you are so special you can be the person in your house that makes everyone else feel happy so please try your best to be kind and patient and always smile- this always makes me feel happy in school so it is sure to do the trick at home as well. Please don't forget that God made you perfectly and gave you a special role in your family so you really can make a difference.

God bless,

B A Reilly-O'Donnell
