Dear parents/carers,

We hope that during these ongoing, difficult times you are managing to enjoy some fresh air in the beautiful sunshine.

School remains open for the children of critical workers and next week we will be joining with staff and pupils from St Joseph's and St John Boste Catholic Primaries to provide care through a community hub. If you need to reserve a place for your child please email admin@olqoprprimary.org.uk to inform us.

We hope the children are working well at home and we will update the website with more work for next week.

Yours sincerely,

B A Reilly-O'Donnell
Head Teacher
