

## Our Lady Queen of Peace RCVA Primary School

### Wraparound and Holiday Childcare: Parents Right to Request

Parents have the right to request wraparound and holiday childcare.

If you would like the governors of Our Lady Queen of Peace RCVA Primary School to consider wraparound and/or holiday childcare please send your request in writing, stating

- the type of childcare requested
- the age range of children requiring childcare
- when provision is most needed

to:

Chair of Governors  
Our Lady Queen of Peace RCVA Primary School  
Station Road  
Penshaw  
Tyne and Wear  
DH4 7JZ

The closing date for requests is **30 January**.

The threshold for reviewing childcare provision will be **30 requests**.

Once the threshold is met, the governors will consult parents of all eligible children to establish demand for childcare.

Once parental demand is confirmed, governors will consider how the provision for childcare might be established. This may be in-house provision, blended provision where the school will work in partnership with the local community or external provision where a third party will provide the care.

The governors will take into consideration

- the available space in school
- the suitability of available spaces
- the level of demand to make provision viable
- the alternative provision which is available in the locality

Once the governors have given consideration to requests, parents will be informed of the decision on **30 March**.

Further information about childcare provision can be found on the Sunderland Family Information Service website at
